All of the above trainings require a pre and post self-assessment (which is completed by the Center Director or Home Owner). The Go NAP SACC process takes approximately 3-6 months and during that time your team will also develop goals and action steps to help improve nutrition and physical activity policies and practices at your child care facility. All along the way of the Go NAP SACC process you will have support from your Go NAP SACC Trainer.

PLEASE NOTE: ALL Go NAP SACC TRAININGS ARE FREE & STATE APPROVED!

Please e-mail ehulse@childrensomaha.org to request a Go NAP SACC Training in your area.
